

## Minnesota Prairie Chicken Society

*"The booming of the prairie chicken on early April mornings can still be heard in Minnesota amid a prairie world of upland sandpipers, northern harriers, snipe, sandhill cranes, and even the mighty moose. May they long continue."*

The Society membership is composed of concerned people interested in making an investment in the future of the prairie chicken and their grassland habitat. If you want to have some fun and help some prairie creatures save their grass, join the Minnesota Prairie Chicken Society!

Your \$10 or more tax deductible gift and membership will help support the Society's efforts. Please make checks payable to the Minnesota Prairie Chicken Society.

**Print this form and send with your contribution to:**

Earl Johnson, Treasurer, 25170 Almquist Road, Detroit Lakes, MN 56501-7674
